

Creag an Oisean

- **grid ref** NG861778
- OS Landranger sheet 19 Gairloch & Ullapool
- **parking** Roadside surfaced pull-out at Tollie Path trail head. NG859790
- **approach** 25 min walk along the Tollie to Slattadale path, the crag is up on the left when the path levels out above a short, steep pitched section.
- **aspect** South-West
- **rock type** Lewisian Gneiss
- **midge factor** Moderate
- **climbs** Up to 5+ : 4 routes
6a to 6c+ : 2 routes
7a to 7c+ : 1 route
- **summary** A good afternoon venue since the sun comes round mid-afternoon. Dries very quickly but the corner-line of Oshan Toshan seeps and is slow to dry.
